

Connecting things together

## Architectural Ideas Discussion

EUROPEAN SYNCHROTRON RADIATION FACILITY

# Hdbpp Layering

- HDBPP Writer – performance db writer layer.
- HDBPP Reader – controlled db access layer.
- HDBPP Historian – service process to offload or decimate data to legacy database.
- HDBPP Data Access – interop layer aware of the various databases.
  - Potential multi language binding point.

Connecting things together

# Thank you!
